Summary Comment (maximum 100 words):

I object to candidates sites ref 73 – Winllan Farm and ref 104 Land by Creuddyn Being included in the RLDP. This land is green wedge, a special area of conservation and site 104 contains a nature reserve. It would remove the boundary between the villages of Penrhyn Bay and Glanwyddan, have a detrimental effect on the local environment and adjoining communities.

Preferred Strategy: **Candidate Sites Register**

If you wish to comment on any of the proposed Candidate Sites please do so below.
All comments should include the reference number of the particular site they refer to.

Site Reference 73 – Winllan Farm

- ▶ This field is Green Wedge + should be protected
 - ▶ Housing on this field will seriously affect the coalescence between Penrhyn Bay and Glanwyddan + Harthos.
 - ✗ The local environment will be seriously affected
 - ✗ It will create more traffic issues
 - ✗ It will create more noise + air pollution
 - ✗ The local Primary School + Medical Centre are already full.
- Site Reference 104 – Land by Creuddyn School

As above (aside from ~~the~~ Green Wedge classification).
