12 - Annel In the Scott of Scott Largert Robot, Linerthum in Strengt Star, N. D.

and Liandadro Juncts and Brymina Tower in to the north-and so The is The land is not on en these conversions. The labor and Convey Historic Lab

at company site for the folk

adversely affect the role of the green wolge in maintaining immon and would adversely affect the setting of Degarwy The sens flowm an important green countryvide buffer of rand movy and Linethon. Development of the site would clearly by and alumenter of Linethon and Degarwy and undermine the is welge within the vicinity. It would also clearly severity interva fandhage character to the detriment of the local and over the emitting community speed of the site appreciate why the included candidate sites were not world assessment stage;

ing that not all landowners with interest in the land included within ic site have agreed to development of the site. There must parking deliverability of the site and, again, we would on that oprimmess of inclusive of the site within the preferred strategy

by of the same fire developments perpenses, recommon of agricultural land classifier and drainings corporate, ecological matrix new approximations of instantion of the any proper

- that 3 of this 5 structurgic status propensed are to include the holds. It is beserver our understanding that popula-clining and, overaally in the case of Linerhos in partic-requils to support providen of a new primary school i other unbools which preservably would have to be class a projection figures relied upon to justify the preferred total.
- deeply concerned that plans displayed by the local Planning Authority at the on at Lianthus Old School on the 12th August 2019 differed from those of in the prefered strategy sent out for public consultation. This has led to on and has clearly undermined the consultation process.
- At the most local of levels, development of the strategic site will clearly have decimental impact upon the setting of Mass Dolass Caravan Park and will decimentally prejudice holiday makers experience of the park and the locality. Amenity of existing site occupants will clearly be adversely affected.

We trust that the above views will be taken into account and that the Llambos strategic vite will be removed from the Local Development Plan.
