**Summary Comment (maximum 100 words):**

I object to candidate site 73 - Winllan Farm Field and site 104 - Land by Ysgol Creuddyn being included in the RLDP. This land is Green Wedge, a special area of conservation and site 104 contains a nature reserve. It would remove the boundary between the villages of Penrhyn Bay and Glanwyddan and have a detrimental effect on the local environment and adjoining communities.

If you wish to comment on any of the proposed Candidate Sites please do so below.  
All comments should include the reference number of the particular site they refer to.

### Site reference 73 - Winllan Farm Field

Strongly object as a resident of Llannos Rd due to serious Green Wedge but noise pollution increased traffic, parking and detrimental effect to all houses in close proximity. Very near to Primary School, already a dangerous busy road.  
Loss of view and quiet area.

### Site reference 104 - Land by Ysgol Creuddyn

Again site of conservation, all of the above affecting primary & Nyni School already busy congested traffic around the schools loss of boundary between Penryn Bay & Glanuddon. Spaly & beautiful area.
