**Summary Comment (maximum 100 words):**

I object to candidate site 73 - Winllan Farm Field and site 104 - Land by Ysgol Creuddyn being included in the RLDP. This land is Green Wedge, a special area of conservation and site 104 contains a nature reserve. It would remove the boundary between the villages of Penrhyn Bay and Glanwyddan and have a detrimental effect on the local environment and adjoining communities.

to each other, both contributing to very  
heavy traffic at certain times, cars, taxis,  
& school buses.

Also the Doctor's Surgery is struggling  
to cope with the number of patients -
