Honey Suckle Lane is a busy adopted bridleway. Any more development would be highly dangerous to Horses, children, Hikers & dog walkers who use the bridleway regularly. It is far too narrow to accommodate any more traffic upon it.

If you wish to comment on any of the proposed Candidate Sites please do so below.
All comments should include the reference number of the particular site they refer to.

65. Reservoir
Any development on this land would overlook both West Isles opposite and also Capatano
It would put more traffic again onto the bridleway
The proposal for building was turned down by the Welsh Assembly.

101 Pathcrosses.
To build on Pathcrosses would put an extremely dangerous amount of traffic onto Honeyuckle Lane the bridleway.
There is a blind corner at the beginning of the bridleway and there aren't any passing places.
It would make it impossible to ride or walk on this bridleway.

110. Constanine's field.
Any building on this field would have a big visual impact on the surrounding properties.
Again once turned down by the Welsh Assembly.
The bridleway would not take all this traffic,
