**Summary Comment (maximum 100 words):**

I strongly object to the building of new houses, offices & schools. At the moment the council is 12 million pound short of Budget & cannot sustain the roads, sewers, and amenities already in existence.

### Preferred Strategy: **Proposed Level of Growth**

---

The Preferred Strategy will make provision for a level of growth comprising of 12 – 14 ha of employment land to accommodate a forecasted 1,800 new jobs. This will be supported by land for 5,150 new homes.

Do you have any comments to make on proposed levels of growth?  
Please comment below:

No jobs in this area now.

The present population find difficulty in obtaining employment.

We cannot persuade doctors to move to this area. The Health Board cannot afford staff for the hospitals & there are very few National Health dentists. We cannot hope to supply these facilities to another 5,150 homes.

I also find it hard to believe that green field sites are once again being targeted.

### Preferred Strategy: **Proposed Spatial Strategy**

---

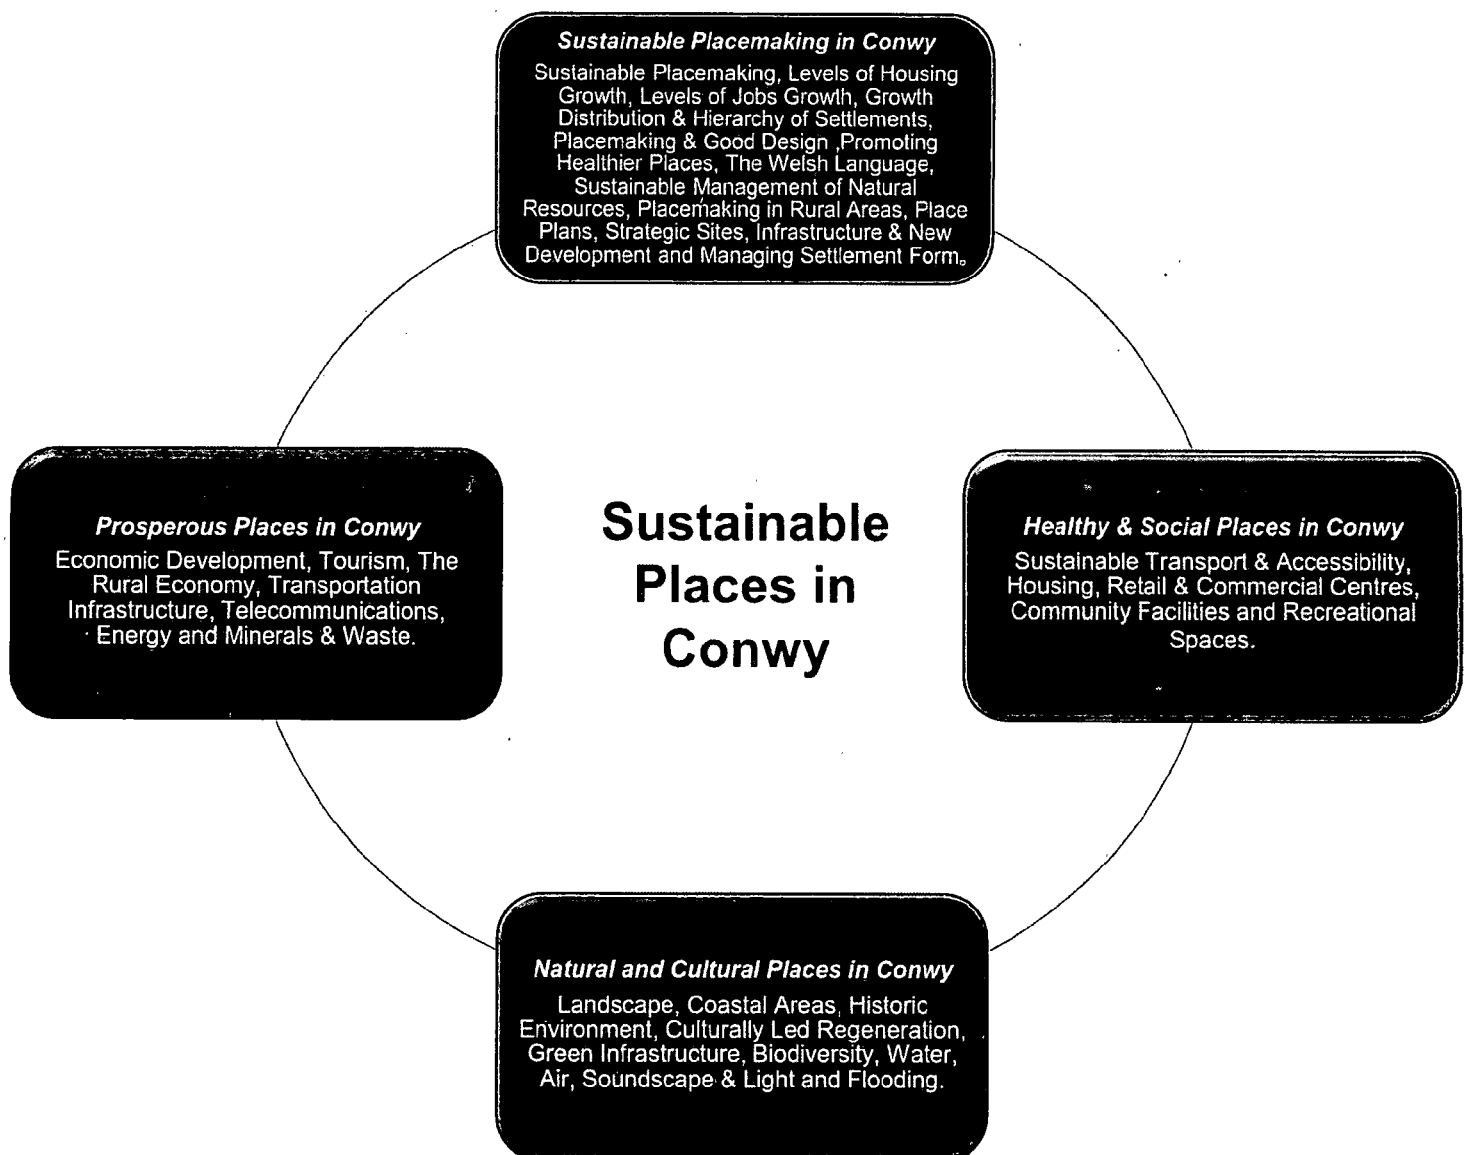

**The Preferred Strategy will focus development in the more sustainable and serviced Urban Settlements and Tier 1 Villages within the Coastal Development Strategy Area (CDSA) and Key Service Centres within the Rural Development Strategy Area (RDSA). More limited local growth and diversification will be promoted in other lesser service settlements. The Preferred Strategy also proposes a new Eastern Regeneration and Improvement Area (EIRA) to recognise the high level of constraints (e.g. flooding) within the east of the County Borough.**
