Dear Planning

I strongly object to your building  
 150 new houses on Pevlup lane  
 as the traffic on road each rd  
 terrible narrow dangerous for schools  
 build up on round about at marina  
 and threat village.

There is only one doctors  
 in the village. cannot get appointments  
 now never mind in future!  
 Shortage of teachers in local schools

Spoil wild life and green belt  
 round our village

Spoil small community.

Not even budgeted building £152k upwards

Kind regards
