Subject: Green wedge around Maes Dolau farm caravan park.

Hi Samantha Cotton and Julie Fallon,
just wanted to voice our opinion and objections about the proposed land development around the green wedge in the Bryn lupus road area.
We have had our holiday home based on Maes Dolau farm park now for a number of years along with my 87 year old father and love the peace and tranquility of the park and surrounding area. What a shame it would be to build and once again take up more of our designated green wedge which is all the surrounding land around the caravan park.

Sincere regards
Mrs Vivien Yeomans
Mr Philip Yeomans

Mr William Arthur Woodcock
