Consultation Paper 1: Priority Issues, Vision and Objectives

Question 1: *Do you agree that the RLDP Structure should be aligned to reflect the obligations of the WFG Act and the subject areas set in PPW (Edition 10)?*

We agree that the RLDP Structure should be aligned to reflect the obligations of the WFG Act and the subject areas set out in PPW (Edition 10). We are particularly keen that the Plan provides support and protection for Conwy's community, cultural and social facilities which includes its many theatres; these type of facilities and the benefits they bring span all four theme/subject areas.

Question 2: *Do you think that this is the right Vision for the Conwy RLDP?*

We are supportive of the Vision as proposed.

Question 3: *Do you think the Vision is well placed to deliver Sustainable Places in Conwy?*

We would agree that the Vision is well placed to deliver Sustainable Places in Conwy; it appears consistent with the Conwy and Denbighshire Well-being Plan and from our perspective we are particularly keen for the Plan to help deliver improved cultural, economic and social well-being to which theatres and other arts and cultural facilities can contribute to achieving.

Question 4: *Do you agree with the Objectives?*

We are supportive of the proposed Objectives, in particular SO1, 3, 4 and 12. We would encourage the next stage of the Plan to provide more detailed policies which help deliver, support and protect cultural facilities.

Question 5: *Are there any other objectives that should be considered?*
