**Summary Comment (maximum 100 words):**

I object to candidate's sites ref 73 – Winllan Farm and ref 104 Land by Creuddyn being included in the RDLP. This land is green wedge, a special area of conservation and site 104 contains a nature reserve. It would remove the boundary between the villages of Penrhyn Bay and Glanwyddan, have a detrimental effect on the local environment and adjoining communities.

### Preferred Strategy: **Proposed Spatial Strategy**

---

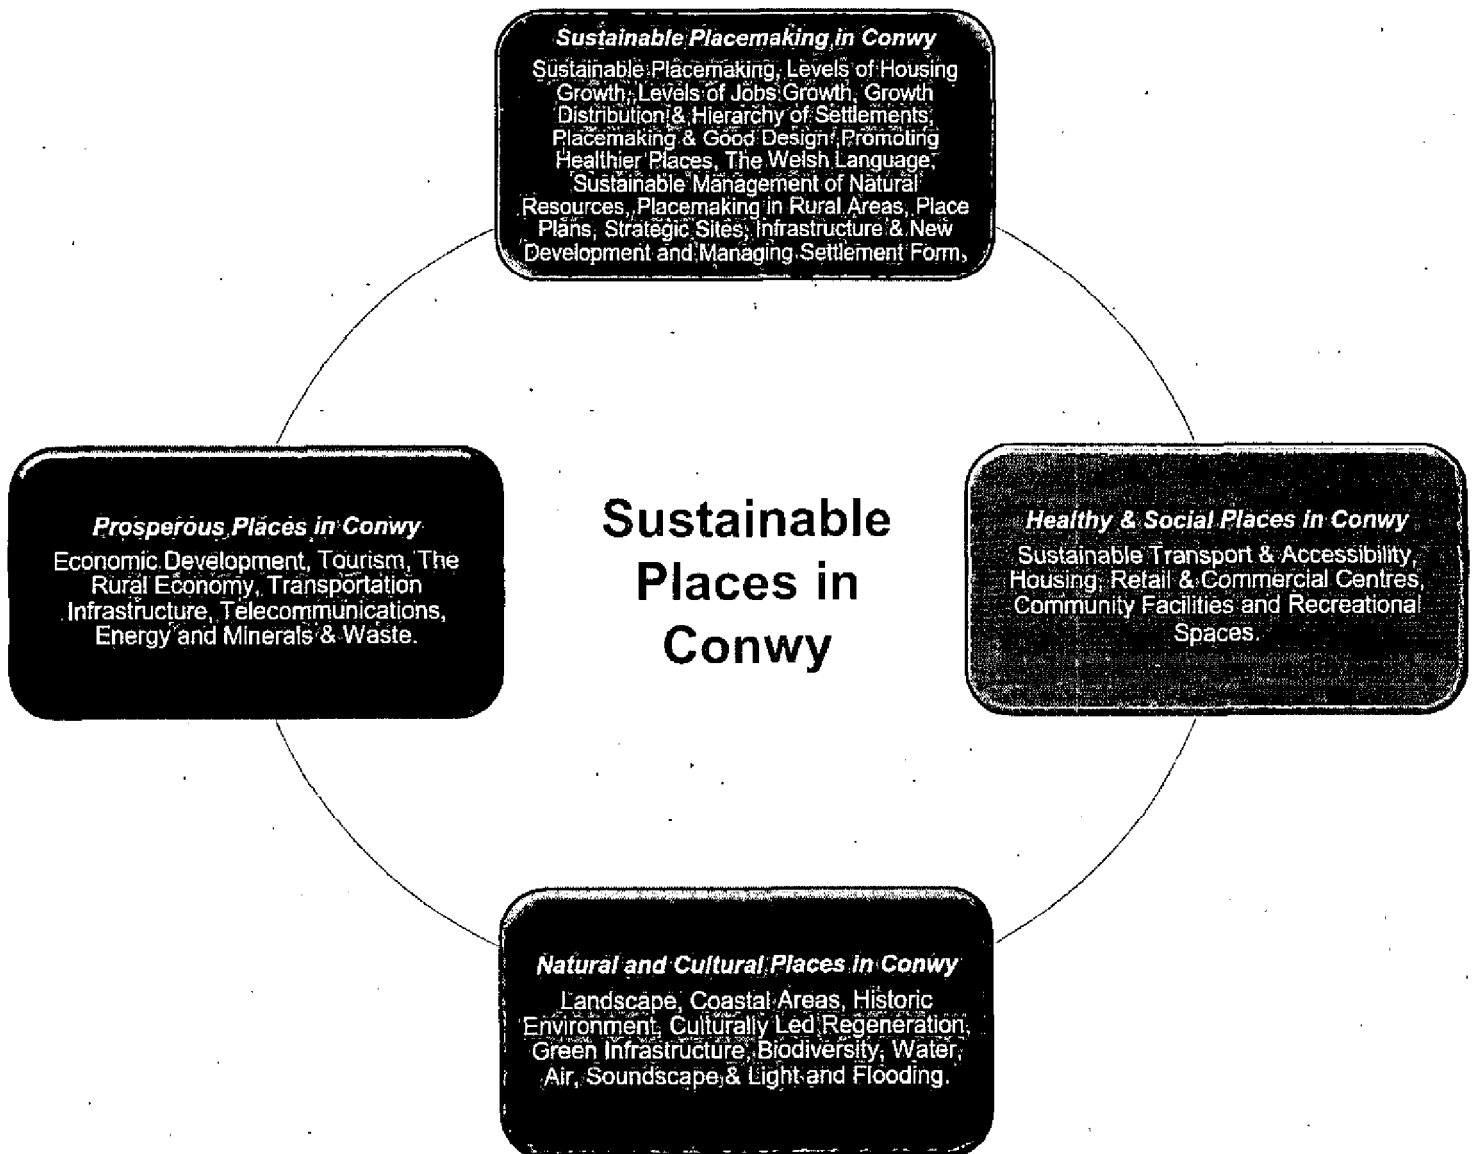

**The Preferred Strategy will focus development in the more sustainable and serviced Urban Settlements and Tier 1 Villages within the Coastal Development Strategy Area (CDSA) and Key Service Centres within the Rural Development Strategy Area (RDSA). More limited local growth and diversification will be promoted in other lesser service settlements. The Preferred Strategy also proposes a new Eastern Regeneration and Improvement Area (EIRA) to recognise the high level of constraints (e.g. flooding) within the east of the County Borough.**
