Summary Comment (maximum 100 words):

I object to candidates sites ref 73 – Winllan Farm and ref 104 Land by Creuddyn Being included in the RLDP. This land is green wedge, a special area of conservation and site 104 contains a nature reserve. It would remove the boundary between the villages of Penrhyn Bay and Glanwyddan, have a detrimental effect on the local environment and adjoining communities.

Preferred Strategy: Candidate Sites Register

If you wish to comment on any of the proposed Candidate Sites please do so below. All comments should include the reference number of the particular site they refer to.

Site Reference 73 – Winllan Farm

In 2007 a previous planning application was rejected by a Welsh Office planning inspector on the grounds of the fact that the site is part of a green wedge and to avoid coalescence between Glanwystden and Penrhyn Bay. These facts still stand.

Site Reference 104 – Land by Creuddyn School

This site will also impinge on the open space between Glanwystden and Penrhyn Bay. Both the above sites will increase pressure on local public services.
