Summary Comment (maximum 100 words):

I object to candidates sites ref 73 – Winllan Farm and ref 104 Land by Creuddyn Being included in the RLDP. This land is green wedge, a special area of conservation and site 104 contains a nature reserve. It would remove the boundary between the villages of Penrhyn Bay and Glanwyddan, have a detrimental effect on the local environment and adjoining communities.

Site Reference 73 – Winllan Farm

The Council should be bringing empty Properties back into use, By Buying up houses or forcing landlords to invest in renovating property. We should NOT be building on GREEN FIELD SITES.

Site Reference 104 – Land by Creuddyn School

Traffic issues will become more of a problem than they are now, People park or double yellow lines now, so the risk of Road Safety will increase.
